

## DOWNTOWN UNDER CONSTRUCTION

PLEASE PARDON OUR PROGRESS

Beginning this week, the 'One and Only' will be under construction. Work should start Tuesday or Wednesday on the 200 north block of Pruett on our streetscape/sidewalk project. The complete project will extend throughout Downtown and will consist of new sidewalks, new utilities, and streetlamps making Downtown walkable, well lit and attractive. Please pardon our progress during the construction. Downtown WILL be open for business. Many of our businesses have back or side doors. Check our Facebook page

[www.facebook.com/oneandonlydowntown](http://www.facebook.com/oneandonlydowntown) for daily updates.

## Dog Day of Summer

Join us Downtown Saturday August 1<sup>st</sup> for our first ever **Dog Day of Summer** from 10:00am to 1:00pm. No admission but we are asking for donations for our community's animal rescues and shelters. So far PAWS, Paragould Animal Control and Henry Wrinkles will all benefit from our hot, wet, dog, and kid fun day. (We might even adopt out some fur babies.) We're bringing back the Dog Parade and the Running of the Wieners. Face painting and concessions will be available. We are looking for vendors---home-made dog treats, pet supplies, collars, dog toys and bedding are welcome. Duex, the Paragould Police Dept. K9, and Cpl. Jason Boling, will be attending and so will Paragould's most famous dog---Henry Wrinkles.

Questions, suggestion, or concerns? Please let us know. Email [mainstr@paragould.net](mailto:mainstr@paragould.net), call 870-240-0544 or contact us at [www.downtownparagould.com](http://www.downtownparagould.com).
